## **Base Chapel –**

### **Getting Married?**

Our base chaplains are frequently asked to assist with marriages. We provide marriage preparation for those getting married in our Base Chapel as well as for those who are planning to get married elsewhere. NOTE: Marriage preparation is required for anyone being married on base by a chaplain.

If you are interested in getting married in our Base Chapel, please read the (link) Chapel Wedding Brochure in order to determine if you are eligible and what is required. If you are eligible and wish to have your wedding at the Base Chapel, you will need to fill out a (link) Wedding Request Form. You must bring this form to the Chapel for coordination before any date can be agreed upon.

NOTE: The Base Chapel may NOT be available when you want to have your wedding. Therefore, it is not recommended that you make arrangements for your Wedding Reception prior to scheduling your wedding at the Base Chapel. If you have any questions, please

contact a chaplain at 520-228-5411.
